

Trains and Boats and Planes

Trains and Boats and Planes is a 'Switchit' type game for reading short sentences with comprehension. There are actually two games, the sentence card game and the picture card matching game in the set. The sentence card game focuses on decoding skills and the matching game focuses on decoding skills with comprehension. There is no better way of learning vocabulary, spelling and practicing phonics? Lots of useful words, lots of reading and lots of fun. It's a fast moving simple sentence game, which will improve the fluency of your young learners. The picture cards make for pair games and help ensure that students understand what they are reading.

60 sentence cards, 60 picture cards and 10 'Switchit' cards. (2,400 yen)

The children are
going to school
by bus.

TRAINS & BOATS & PLANES RULES

1. Shuffle the cards and deal 7 cards to each player.
2. Place the pack facedown, turn over the top card and place it by the pack.
3. Each player in turn plays a card, which must match the enlarged key word of the previous card or the picture and reads their sentence card.
4. A 'trains & boats & planes' (Switchit) card changes the key word of the card to be played.
5. If a player cannot play, then he or she must take a card from top of the pack.
6. The object of the game is to get rid of all your cards.
